School Accountability Report Card

Reported Using Data from the 2012-13 School Year

Published During 2013-14

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Additional Information

For further information regarding the data elements and terms used in the SARC see the 2012–13 Academic Performance Index Reports Information Guide located on the CDE API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

School Description and Mission Statement (School Year 2012-13)

This section provides information about the school, its programs and its goals.

Palmdale School District Mission Statement

The mission of the Palmdale School District is to provide each child with a rigorous and relevant academic education, a safe learning environment and the knowledge, skills and attitudes necessary for success in the 21st Century.

School Profile:

Cimarron Elementary School is not in Program Improvement as of 2012-2013.

Cimarron Elementary School is a kindergarten through sixth grade school located in Palmdale, California. It is a school with 885 students, 32 teachers, and ancillary support staff. Cimarron has been in operation for 17 years. Of the current enrollment, 32% of the student population has been identified as Limited English Proficient. Native languages spoken by our bilingual students are Spanish, Armenian and Tagalog. All of our teachers have their CLAD or SDAIE certification. Cimarron's ethnic population is composed of 13.4% African American students, 73% Hispanic students, 8.5% Caucasian students, 5% of the students come from other ethnic backgrounds. Eighty-four percent of the students receive free and reduced lunch.

Our campus also houses three Special Day Classes (SDC). We have students with special needs in Kindergarten and first grades. There is a full-time speech therapist and one half-time school psychologist assigned to Cimarron. In addition, we have one full-time and one half-time resource teachers who work with general education students (with IEPs) in need of academic remediation.

The school consists of thirty-six classrooms. Cimarron also has two computer labs, a library, a multipurpose room and two playgrounds - one of which is a self-contained kindergarten playground.

Cimarron promotes academic achievement by providing our students and their families with opportunities to build technology skills and acquire knowledge to improve their education.

Cimarron prepares students for the "21st Century." We ensure that students acquire the skills for accessing, processing, and communicating information that enables and inspires them to become life-long learners with the ability to adjust to a rapidly changing world. Cimarron is a technologically advanced school that integrates technology into the curriculum. Technology is as common to the process of education as pencil and paper. Students, staff, parents, and the community contribute and utilize their combined talents and resources to implement this integration. Technology is a tool that supports and enhances curriculum and student achievement. Technology at Cimarron enhances, does not supplant, the curriculum. and assists students in going above and beyond the limitations of the classroom and traditional teaching. Cimarron offers a GATE cluster for students in grades 2 through 6 with a qualified GATE teacher in each classroom.

The mission of the Palmdale School District is to provide each child with a rigorous and relevant academic education, a safe learning environment and the knowledge, skills and attitudes necessary for success in the 21st Century.

Motto: Cimarron....Bright Stars, Bright Futures

Opportunities for Parental Involvement (School Year 2012-13)

This section provides information on how parents can become involved in school activities, including contact information pertaining to organized opportunities for parent involvement.

Grade level teacher teams provide parent nights throughout the year to introduce grade level standards, curriculum and provide strategies for parents to work effectively with students at home and support classroom learning. Administrators provide Title I Parent Information nights, a CST information night and provide parents and students with test taking strategies. Cimarron also hold 13 Parent Academies throughout the year that focus on a specific program and encourage parent involvement. The Cimarron PTA holds Family Fun Nights such as a Fall Festival, Movie Nights, Bingo, etc.

Cimarron has a School Site Council and English Language Advisory Committee. These groups meet once a month to develop/revise the school plan and budget. Parent volunteers are welcomed and encouraged to help in their child's classroom. Our annual Volunteer Tea is held in May to thank our parent volunteers for their help and support throughout the year.

III. Student Performance

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

Standardized Testing and Reporting Results for All Students - Three-Year Comparison

California Physical Fitness Test Results (School Year 2012-13)

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT Web page at <http://www.cde.ca.gov/ta/tg/pf/>.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

IV. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks - Three-Year Comparison

This table displays the school’s statewide and similar schools’ API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The **similar schools API rank** reflects how a school compares to 100 statistically matched “similar schools.” A similar schools rank of 1 means that the school’s academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school’s academic performance is better than at least 90 of the 100 similar schools.

API Rank	2010	2011	2012
Statewide	3	6	6
Similar Schools	3	10	9

Academic Performance Index Growth by Student Group – Three-Year Comparison

Group	Actual API Change

Students with Disabilities			

Note: "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

Academic Performance Index Growth by Student Group - 2013 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2013 Growth API at the school, LEA, and state level.

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

For detailed information about AYP, including participation rates and percent proficient results by student group, see the CDE AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Adequate Yearly Progress Overall and by Criteria (School Year 2012-13)

AYP Criteria	School	District
Made AYP Overall	No	No
Met Participation Rate: English-Language Arts	Yes	Yes
Met Participation Rate: Mathematics	Yes	Yes
Met Percent Proficient: English-Language Arts	No	No
Met Percent Proficient: Mathematics	No	No
Met API Criteria	Yes	No
Met Graduation Rate (if applicable)	N/A	N/A

Federal Intervention Program (School Year 2013-14)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations Web page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

School Safety Plan (School Year 2012-13)

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

A School Safety Plan and Emergency Preparedness Plan updated for the 2012-13 school year in Sept. 2012, includes plans for earthquakes, fire, suspicious trespassers, bomb threats, chemical spills, fallen aircraft and air pollution are in effect. Evacuation plans have been updated and staff responsibility flowcharts have been distributed to all staff members. In October of 2012 a comprehensive disaster drill, "The Great Shakeout," was completed in coordination with the district and local emergency response agencies. Fire drills are held monthly throughout the year. Lockdown drills are held twice per year.

Suspensions and Expulsions

Rate	School			District

Expulsions	0.24	0.12	0	0.69	0.43	.08

Note: The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

VI. School Facilities

School Facility Conditions and Planned Improvements (School Year 2013-14)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- Description of any needed maintenance to ensure good repair

Cimarron pays for part-time campus supervision. Gates are secure during the school day and visitors must come through the school office in order to get onto the campus. All classrooms, offices and restrooms are cleaned daily. Cimarron remains exceptionally clean because of excellent custodial services.

School Facility Good Repair Status (School Year 2013-14)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The Overall Rating

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2012-13)

The federal ESEA, also known as NCLB, requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE Improving Teacher and Principal Quality Web page at www.cde.ca.gov/nclb/sr/tq/.

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	100.0	0.0
All Schools in District	99.4	0.6
High-Poverty Schools in District	99.4	0.6
Low-Poverty Schools in District	0.0	0.0

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

VIII. Support Staff

Academic Counselors and Other Support Staff (School Year 2012-13)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor

Resource Specialist		---
Other		---

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

IX. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2013-14)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: 2012-June

All students are provided with appropriate textbooks in each area of the curriculum.

Core Curriculum Area	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy

State	---	---	\$5,537	\$70,193
Percent Difference: School Site and State	---	---	-98.8	-10.1

Supplemental/Restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

Basic/Unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

Types of Services Funded (Fiscal Year 2012-13)

This section provides specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

Title I, Gifted and Talented Education, Limited English Proficiency Instructional Support, Special Day Classes – Gr. K and 1, Adaptive PE, Speech, Resource, and Language! are programs available to Cimarron to support/assist students. In addition, Cimarron offers Morning Computer Lab daily to support students in ELA and Math. Cimarron offers afterschool programs two days per week to support students in ELA, Math and ELD.

Teacher and Administrative Salaries (Fiscal Year 2011-12)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$35,094	\$41,451
Mid-Range Teacher Salary	\$63,873	\$67,655
Highest Teacher Salary	\$76,393	\$85,989
Average Principal Salary (Elementary)	\$107,083	\$108,589
Average Principal Salary (Middle)	\$108,445	\$111,643
Average Principal Salary (High)	\$0	\$110,257
Superintendent Salary	\$218,093	\$182,548
Percent of Budget for Teacher Salaries	36.6%	41.8%
Percent of Budget for Administrative Salaries	5.1%	5.5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

XI. Instructional Planning and Scheduling

Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period. Questions that may be answered include:

- What are the primary/major areas of focus for staff development and specifically how were they selected? For example, were student achievement data used to determine the need for professional development in reading instruction?
- What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?
- How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance, and data reporting, etc.)?

Teachers meet frequently within and across grade levels in lesson study and grade specific institutes to plan and discuss what they are doing and how to coordinate instruction. A teacher survey is taken at the end of the school year that guides site professional development and in-service selection decisions. Student data is also used to determine professional development offerings. Sites design specific professional development based on academic content standards, the California Standards for the Teaching Profession, and research-based practices.

Educational Services, Special Education, English Learners, Student Assessment and Accountability, and Teacher Support departments participate in the planning and implementation of District staff development activities. Courses are offered throughout the year on week nights and Saturdays.

Trainings are also offered during the summer months on content specific and professional areas such as SIOP, Teacher Leaders, English Language Arts, mathematics workshops, unpacking standards, and intervention programs. . Administration training focuses on the development of learning communities and CCSS.

Conference and convention attendance, in-service meetings and staff collaboration offers additional opportunities for professional growth. Teachers observe other professionals, engage in peer coaching and work with mentors and grade level or departmental colleagues.
